DETAILED ACTION

Allowable Subject Matter

1. **Claims 1-17** are allowed.
2. The following is an examiner's statement of reasons for allowance: Ross et al. teach testing embedded memories in an integrated circuit. The prior art of record does not teach an MBIST controller including externally accessible user programmable pattern register for providing a pattern of test data to the memory under test; and an external pattern programming device configured to supply the pattern of test data to the user programmable pattern register.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
